## **Brief Seminars for Parents**

The Dallas County Master Gardeners (part of Texas AgriLife Extension Service) will conduct free Earth-Kind™ presentations:

- 11 am - Plants that Love to Grow Here
- 12 pm - Earth-Kind™ Gardening
- 1 pm - Completing the Cycle: Composting
- 2 pm - Get Wise About Water

## **Learn how you and your family can be environmentally friendly.**

Visit the **free** fifth annual City of Dallas Environmental Education Initiative community fair, Conservation in Action. Kids can explore water conservation and recycling as they complete interactive environmental education activities. The fair will be held at Texas Discovery Gardens, an organic botanic garden with a brand new tropical butterfly house. Enjoy free admission to the garden during the fair. (*Fee required for the butterfly house.*)

Take the new DART Green Line to the MLK stop at Fair Park or go to the intersection of Robert B. Cullum and MLK Blvd. and enter Fair Park at Gate 6, signs will direct you to Texas Discovery Gardens. **Parking is free!**

**Free T-shirts, hot dogs, popcorn, bottled water and more to the first 500 participants!**

For additional information, call 214/670-3155 or go to [DallasEEI.org](http://DallasEEI.org).

*Sponsored by City of Dallas, University of North Texas and Texas Discovery Gardens.*
