New Throne For Your Home Toilet Rebate Instructions

1500 Marilla, Room 5AS • Dallas, Texas 75201
Telephone: (214) 670-3155

The residential *New Throne For Your Home* Voucher Program offers up to \$90 water bill credit per toilet to replace existing high-flow toilets with low-flow models (limit of two per household). It is possible for a family to save over 30 gallons of water per day or 10,600 gallons annually. This saves you money on both water and wastewater charges.

This rebate program is for approved toilets purchased after July 1, 2007. The rebate will be issued in the form of a credit to your water bill. Credit will be issued for the price of the toilet(s) or \$90 per toilet, whichever is less.

Rebates are limited and will be issued on a first-come, first-served basis.

TO QUALIFY

- Toilet(s) must be installed in a residence built before 1992 that receives water directly from the City of Dallas Water Utilities. A copy of your most recent bill needs to be included with the application.
- There is a limit of two (2) toilets per residence. The new toilets are a complete unit. They can be one piece (tank and bowl as one unit) or two pieces (tank and bowl) to be fitted together for a complete unit.
- Each new toilet must replace an existing large-capacity toilet (7, 5, or 3.5 gpf). Use the tips below to calculate the flush volume of your current toilets.
- Old toilet(s) cannot be reused. Customer agrees to destroy or disable their old toilet(s).
- Customer agrees to an installation verification visit by City of Dallas staff.
- Customer agrees to complete a post-installation survey.
- Customer agrees to pay for the sales tax on the toilet(s), installation cost (if not installing the fixture yourself) and needed materials to install new toilets.
- Customer has not received a low-flow toilet from other City of Dallas programs.

E-mail any application questions using the contact form at:

www.ci.dallas.tx.us/forms/water_conservation_contact.html or call (214) 670-3155.

TIPS TO DETERMINE THE GALLONS-PER-FLUSH VOLUME

1. Look for marks or labels near the toilet seat hinge. A 5-gallon per flush (gpf) toilet might be shown as 22.73 liters, a 3.5 gpf as 15.91 liters. All 1.6 gpf (6.1 liters) toilets should be marked at the toilet seat hinge.
If no markings, check the underside of the tank lid or the tank's back inside wall for a date stamped in the porcelain. Toilets produced before 1985 are 5-7 gpf, a date between 1985 to 1991 would be 3.5 gpf. All toilets made after 1991 are 1.6 gpf.
2. There are two ways to conduct a Toilet Water Use Test. The most accurate way is by measuring the tank.
 - a. Measure the length of the tank.
 - b. Measure the width of the tank.
 - c. Measure the full water level in the toilet tank (depth 1).
 - d. Flush the toilet and measure the drop at the lowest level (depth 2).
 - e. Subtract depth 2 from depth 1. This will give you the "drop" measurement.
 - f. Multiply the length times the width times the "drop" to determine the volume of cubic inches of water used per flush.
 - g. Divide the volume by 231 to get the number of gallons per flush.

New Throne For Your Home Toilet Rebate Application

1500 Marilla, Room 5AS • Dallas, Texas 75201 Telephone: (214) 670-3155

This program applies to residential customers of the City of Dallas Water Utilities (DWU). You do not qualify for a credit if you received and redeemed a voucher through this program.

INSTRUCTIONS: Participating in the City of Dallas New Throne For Your Home Toilet Voucher Program is easy.

- 1. Complete and return this application, toilet purchase receipt and a copy of your most recent City of Dallas water bill.
2. Mail completed application and copy of your water bill to: New Throne For Your Home Voucher Program, 1500 Marilla, Room 5AS, Dallas Texas 75201.
3. Rebates will be issued to you as a credit on your DWU water bill.
4. Rebate covers porcelain (tank and bowl). Participant will pay any cost differential for toilet, wax ring, seat, parts or sales tax costs.
5. We will contact you to schedule the installation verification of the new toilet(s).
6. Toilet make and model, and date of purchase must be clearly shown on the receipt.

E-mail any application questions using the contact form at: www.ci.dallas.tx.us/forms/water_conservation_contact.html or call (214) 670-3155.
